LAUNCH IN ACTION

Delivery Rates & Lead Generation Best In Class

"I've been using Launch Control consistently for the past two years, and I can confidently say it has revolutionized my direct to seller marketing. Their text marketing platform is my main source of lead generation when looking for motivated seller leads. The return I've received on my investment as well as the low per lead cost is the best you will find in the industry. The customer service is amazing and I've had nothing but great experiences since signing up." – **Adam Lopate**

"I experienced more than 95% delivery rate and more than 20% response rate on Launch Control." – **Muhammad Sabeeh**
